

DYMAX WORK TOOLS

RAIL ROLLERS FOR LAYING 1/4 MILE RAIL

OVERVIEW

Dymax Rail Rollers are ideal for laying new rail. Equipped with two heavy duty pillow block bearings, the Dymax Rail Rollers are spanned every 10-20 ties or can be ordered in "street" style models depending on your application.

Keep track of your standard style rollers with the Dymax Rail Roller stand Heavy duty and designed so you don't have to worry about palletizing and shipping between job sites.
